The whistle of the Honolulu Steam Planting Mill is blown daily by electric signal from the Survey office at Honolulu mean noon. It sounds sharp at 25 min. past 1 o'clock p.m., or Honolulu mean time, to correspond with 12 m. as given by chronometers set for Greenwich mean time. This last is especially for the benefit of mariners and jewelers.

THEY BRACED UP.

The Honolulu Take a Game from the Kamehamehas.

The Honolulu braced up on Saturday and beat the Kamehamehas six to two, after an exceedingly interesting game. There was the usual large attendance of spectators. Both pitchers were in good form, but Pahau did not play his usual game behind the bat. Some capital fielding was done by both teams, in fact it was a game worth seeing. Had the Kamehamehas won they would have been champions of 1890, but failing, it gives the Hawaiians a chance to tie them if they win their next game with the Stars. If they do, then there is fun ahead.

FAREWELL PARTY.

At the Residence of the Minister of Foreign Affairs.

Wednesday evening a farewell party was given at the residence of His Excellency Hon. John A. Cummins, Minister of Foreign Affairs, in honor of his daughter Miss May Cummins who took her departure for the States on Friday on the Australia. The decorations throughout the house and on the verandas were both unique and charming. Colored lanterns were hung on the verandas and all over the grounds. A laud for dancing had been erected near to the band stand, and it was appropriately decorated. The full Hawaiian Band under direction of Mr. Berger was present and played for dancing. There was quite a large attendance of invited guests including H. R. H. Princess Lilioalani, Hon. J. O. Dominis, members of the diplomatic and consular corps, etc. All appeared to enjoy themselves thoroughly. An elegant supper was served in the dining room, the tables being tastefully decorated with flowers. It was an exceedingly pleasant affair throughout.

THE NEWS HAS A SPECIAL FROM TIN CUP, COL.

The News has a special from Tin Cup, Col., which gives an account of the most wonderful discovery of gold ever reported in the world. The find is six miles from Tin Cup, on Cross Mountain, and is owned by McCormick & Lewis. The lode is almost ten feet in thickness, the lower six feet iron manganese, the upper four gold-bearing quartz of free gold. The lowest assay from this rock is \$440 per ton, and there are specimens which, put through the common mortar, return \$20,000 of gold to the ton. Two men are now taking out \$5,000 each per day. [Denver News.]

THE AUCKLAND HERALD SAYS:

The Zealandia is on her last trip to New Zealand and Australia, and will be replaced by her sister vessel, the Australia, which has recently been running in the Hawaiian mail service. The Australia has been undergoing a thorough overhaul and refitting, and will begin her new service to all intents and purposes a new vessel, while it is expected that the improvements being effected in her machinery will give her a speed of seventeen knots.

THE NEW BARK ALBERT, WHICH WAS

recently built by Hall Brothers at Port Blakeley for the George F. Smith Line, running from San Francisco to Honolulu, left there on the 15th inst. with a cargo of lumber for San Francisco, where she will receive her interior fittings. Her gross tonnage is 682. Captain J. M. C. Winding, who is part owner, will command the new craft.

A YOUNG BOY WAS RIDING HOME

from the baseball match on Saturday when his horse collided with a buggy belonging to C. Long. The buggy was turned over and of course the occupant had to get out as well. One of the wheels was dished and a shaft was broken. The boy was thrown from his horse, but not seriously hurt.

THE LARGE NEW STEEL BRITISH SAILING

ship Falkland lately arrived at New York from Calcutta on her maiden voyage. She is a monster four-masted vessel, and brought a cargo of 5600 tons, consisting of jute, salt-peter, catch and indigo. After discharging the Falkland will load 120,000 cases, or 1,200,000 gallons, of refined petroleum for Calcutta.

THE REV. FRANK THOMPSON, CHAPLAIN

of the U. S. Flagship Charleston, arrived on the Mariposa. He is a son of the Bishop of Missouri. It was hoped that he would be heard at the services of the Second Congregation of St. Andrew's Cathedral, Sunday evenings, but the Charleston is leaving us this week.
